<b>Description</b>	<p>A seminar was organized by the department of Training and Placement on “GRE, TOFEL” at seminar hall on 10<sup>th</sup> December 2021.</p> <p>Mr.Pradeep Kumar is the facilitator for the seminar. He emphasized on how to prepare for studying abroad like Europe, America and Australia. If students are applying for a graduate-level degree, especially a master’s programs, MBA, doctoral programs, awarding fellowship etc, they may be required to submit scores from one or more standardized graduate admissions tests. These are internationally delivered tests (GRE and TOEFL) which aim to ensure applicants are prepared for the rigors of advanced study, in their own country or abroad.</p> <p>The resource person motivated students and gave awareness regarding competitive tests and encouraged audience for the better interaction.</p> <p>More than 135 students of Princeton Institute of Engineering and Technology for Women were benefited by the interaction.</p> <p>The college showed gratitude to the resource person by presenting a memento for his support in organizing the seminar.</p>

<b>Description</b>	<p>A session on 'Software industry overview and future opportunity and how to prepare' was conducted on the 21<sup>th</sup> of March 2021 by the Training &amp; Placement Cell of Princeton Institute of Engineering and Technology for Women. The webinar was attended by 130 students from B.Tech.</p> <p>The motive of the webinar was to confront the student with the different future opportunities.</p> <p>The session opened by asking students their idea about 'Industry'. After which the trainer explained them about how to prepare themselves to attain a good job at reputed company. Then he explained the overview of software industry and also various opportunities that the companies provide. When the students get to know the procedure, they will be able to perform well. We provide an overview of the four invited talks and present few highlights of these talks.</p> <p>We present the challenges encountered, recommendations and future plans</p> <p>The resource person gave insights about all the opportunities.</p> <p>The session ended with a good response from the students. They felt the session was very useful.</p>

The speaker has rich experience of both industry and academics and the words of guidance proved to be the master stroke for many students. The session included students from all the streams. Students were enlightened upon some of the advanced aspects of information which is also one of the subjects of their academic syllabus. The session was highly informative and motivating. The speaker engaged the students in continuous one on one discussion which made it even more interesting. The speaker also answered lots of queries of the audience and the session concluded with a very interesting crossword contest, result of which was declared there itself. Students benefitted tremendously with this session and their engagement with the speaker proved to be an excellent platform to make strong and intelligent decisions for their careers.</p>

<b>Description</b>	<p>A seminar on “Hands on Training on Cyber Security” was conducted on the 32<sup>nd</sup> of SEPT 2021 by the Training &amp; Placement Cell of Princeton Institute of Engineering and Technology for Women.</p> <p>The seminar was attended by 124 students from B.Tech All Branches.</p> <p>The morning session was commenced by guiding students in making better career choices in all domains of their interest and was given to them the information of the possible upcoming opportunities in both the government and the private sector. The speaker has rich experience of both industry and academics and the words of guidance proved to be the master stroke for many students. The session included students from all the streams. Students were enlightened upon some of the advanced aspects of information which is also one of the subjects of their academic syllabus. The session was highly informative and motivating. The speaker engaged the students in continuous one on one discussion which made it even more interesting. The speaker also answered lots of queries of the audience and the session concluded with a very interesting crossword contest, result of which was declared there itself. Students benefitted tremendously with this session and their engagement with the speaker proved to be an excellent platform to make strong and intelligent decisions for their careers.</p>
