Description	<p>Republic Day is celebrated on January 26 every year to remember the day when the Constitution of India came into effect after India gained independence after a very long freedom struggle. A salute of 21 guns and the unfurling of the Indian National Flag by Dr. Rajendra Prasad heralded the historic birth of the Indian Republic on that day. Thereafter 26th of January was decreed a national holiday and was recognised as the Republic Day of India. Ever since the historic day, January 26 is celebrated with festivities and patriotic fervor all around the country.</p>

Description	<p>Yoga is an ancient physical, mental, and spiritual practice that originated in India. The origin of the word "yoga" is from Sanskrit, which means "to unite". On June 21, it was recognised by the United Nations. Yoga has gained tremendous popularity not only in India but across the globe. It marks an opportunity to spread awareness about the benefits of yoga. Yoga is said to be more than just an exercise for those who practice it on a daily basis. As per the United Nations, yoga stands as an emblem for creating balance and harmony. When yoga is applied to communities and societies, it offers a path to sustainable living.</p>

Description	<p>Accelerate the efforts to achieve universal sanitation coverage and to put the focus on sanitation, the Prime Minister of India had launched the Swachh Bharat Mission on 2nd October 2014.</p> <p>We all know that when India makes a resolve, it also fulfills it. When I spoke about Swachhta (cleanliness) in my first speech from the PETW, the entire country embraced it. Everyone moved towards cleanliness according to his capacity and there is now antipathy towards filthiness. Freedom from open defecation has become possible in college today,” principal said during his address from the ramparts of PETW.</p>
