Description	<p>Guest Lecture on Advanced Building Materials was organized by the Department of Civil engineering on 10th August 2018 at Princeton Institute of Engineering and Technology for Women. The guest speaker was from Talent Sprint is an EdTech Ltd, Hyderabad. The event started with a welcome address. The guest lecture was preceded by a short talk by the Principal of PETW. In his lecture he explained all the processes that were involved in analyzing the Advanced Building Materials. After explaining the processes, he illustrated various equipment used in the process of analyzing Advanced Building Materials. He explained the process flow in detail and elucidated the testing methods employed. In his talk he emphasized the points on civil engineering. The lecture started around 9:30 am and ended around 4:00 PM. The lecture was received with admiration by the students and they also found the slides appropriate. The event ended with honorarium to the guests. This lecture has created awareness in the students. A thank you note on behalf of students and faculty was given by HOD.</p>
