Description	<p>Princeton Institute of Engineering And Technology For Women has organized training on Just a minute. The facilitator for the event was Dr Chaitanya , Learning Tree Pvt Ltd ,Hyderabad</p> <p>Just a Minute is an impromptu speech test conducted with the time limit of one minute. The students are trained to speak coherently and meaningfully on a given topic within a span of one minute. More than a test of knowledge, JAM can be seen as a test of wit and presence of mind. Many recruitment drives use this test to assess a candidate's language skills. The resource person encouraged the students to participate in JAM sessions in order to improve their language fluency and accuracy. Before the session the resource person prepares a list of topics which are then randomly given to each student to speak. The students are advised not to hesitate when they speak. They are also told not to repeat and deviate from the topic.</p> <p>On a concluding note, H&S assistant professor thanked the Resource person for delivering such an important and necessary topic, and also showed gratitude to PETW for their support in organizing the workshop.</p>

Description	<p>Princeton Institute of Engineering and Technology for Women has organized a training on Ice Breaking. The facilitator for the event was Dr Chaitanya , Learning Tree Pvt Ltd ,Hyderabad</p> <p>The resource person made students to participate in the speaking activities used with a new class in order to give the learners an opportunity to meet each other. In order complete an ice breaker task learners must talk to each other. These allow the new comers to talk to each other and know each other well. For the teachers such ice breakers give an opportunity to identify the learners and from an initial assessment of them when they start talking about themselves. This also allows the learners to work in terms and participate in collaborate learning. As the learners involve in team work and interact personally with each other, they also establish personal bonding essential for successful learning. Some of the ice-breaking activities include just one lie, unique and share.
