SUB: Proposal to conduct CRT Training for B.TECH ECE& EEE -Reg

Respected Sir

The Department of Training and placement is organizing CRT Training for B.TECH IV YEAR ECE for A.Y AR2018-2019. The course helps students to develop non technical skills like verbal, reasoning, and Soft skills which enable them to solve problems with various approaches and face the interviews for their employability.

The course will be conducted by the expert trainers from training partner, Sten Corniche Education Services and the course contains both theory and practical classes.

Thanking You

achieved by great leaders with the help of soft skills. He further threw light on the fact that all the students should now be prepared to ensure good leadership skills for students. The session went on to be more informative as he continued to talk about the need of leadership and soft skills for employability. Participation in a sudden jam session, group discussions, debates and other activities which helps broaden the horizons for student interaction and development.

His focus was on 'developing skills relating to employability' that would facilitate academic progress of the students

The training program ended with our respected Principal. He was thankful for the valuable inputs delivered by resource person and he appreciated the commendable efforts taken by the college for initiating such a knowledgeable and informative session. Finally, coordinator of the training program expressed her gratitude towards the Management of the college for their constant support and encouragement to attend such enriching sessions. The training program was well received and informative He further thanked them for their exemplary efforts in providing such platforms to the students and helps them reach great heights of success.
