SUB: CRT TRAINING for B.Tech ECE IV YEAR STUDENTS-Reg

Respected Sir,

The Department of Training and placement is planning to organize CRT Training for B.TECH ECE IV YEAR STUDENTS for the A.Y 2020-21. The course helps students to develop non technical skills like verbal, reasoning, and Soft skills which enable them to solve problems with various approaches and face the interviews for their employability.

The course will be conducted by the expert trainers from training partner, Sten Corniche Education Services and the course contains both theory and practical classes.

Thanking You

In collaboration with	Sten Corniche Education Services	
Description	<p>A Soft skills development program was organized by the Princeton Institute of Engineering and Technology for Women from 15th to 19th March 2021. The Resource person of the day was from Sten Corniche Education Services. The speaker for training program was warm welcomed to the session on behalf of Princeton Institute of Engineering and Technology for Women, Chairman, Director, Principal, Head of the Department and students. Dr. S.Prabhakar Rao Chairman of PETW welcomed everyone attended the session. Our respected principal had addressed the gathering. Coordinator of the event gave an introduction about the resource person and his achievements.</p> <p>The training program is an initiative to impart soft skills which will help students to clear recruitment entrance exams.</p> <p>On the first day, the session was preceded by resource person, who took over the session and delivered a lecture on leadership skills. He further went on to give a vivid outlook on the importance of leadership skills at various working places. The training session continued on second day with the topic communication skills where strategies to develop communication was presented thereby ensuring good results in all aspects.</p> <p>Third day of the training was followed by seminar on team work, the next day with problem solving and the last day on interpersonal skills.</p> <p>The communication and interview skills of the student have been the major target area.</p>

The students were elated with the innovative suggestions and ideas that were discussed in the training by guest speaker. He mentioned some of the mile stones achieved by great leaders with the help of soft skills. He further threw light on the fact that all the students should now be prepared to ensure good leadership skills for students. The session went on to be more informative as he continued to talk about the need of leadership and soft skills for employability. Participation in a sudden jam session, group discussions, debates and other activities which helps broaden the horizons for student interaction and development.

His focus was on ‘developing skills relating to employability’ that would facilitate academic progress of the students.

The training program ended with our respected Principal. He was thankful for the valuable inputs delivered by resource person and she appreciated the commendable efforts taken by the college for initiating such a knowledgeable and informative session. Finally, coordinator of the training program expressed her gratitude towards the Management of the college for their constant support and encouragement to attend such enriching sessions. The training program was well received and informative He further thanked them for their exemplary efforts in providing such platforms to the students and helps them reach great heights of success.
