Description	<p>A Guest Lecture on Operating System was organized by Computer Engineering Department for CSE II year students on January 20, 2022 at 09:30 a.m. at Seminar Hall. This program included a guest lecture by the expert from Talent sprint Ed Tech Ltd, Hyderabad, who provided information about the basics of Operating System and Embedded Operating System, according to the syllabus he covered each and every important point which will help the students to gain theoretical as well as practical knowledge. He also guided first year CSE students on OSD (Operating System Design) and suggested to do a detailed study of each unit so that proper knowledge is gained. . He further went on to give a vivid outlook on the importance of studying operating systems with which students will find it easy to learn. The training program ended with our respected Principal. He was thankful for the valuable inputs delivered by resource person and she appreciated the commendable efforts taken by the college for initiating such a knowledgeable and informative session. Finally the session ended with a vote of thanks by the HOD.</p>
